

## Product data sheet

### Characteristics

# QOM2200VH1021

Main breaker, QO, 200A, 2 pole, 120/240 VAC, 22 kA, bolt on mount, AC shunt trip

Product availability : Non-Stock - Not normally stocked in distribution facility

Price\* : 657.00 USD

### Main

|                       |                             |
|-----------------------|-----------------------------|
| Product               | Circuit breaker             |
| Range                 | QO                          |
| Current Rating        | 200 A                       |
| Voltage Rating        | 120/240 V AC<br>120 V AC    |
| Mounting Type         | Bolt-on                     |
| Number of Poles       | 2P                          |
| Ratings               | Primary main breaker        |
| Electrical Connection | Lugs                        |
| Options               | Shunt trip 120/208/240 V AC |
| Frame Size            | QOM2                        |

### Complementary

|                   |                                                                                               |
|-------------------|-----------------------------------------------------------------------------------------------|
| Interrupt Rating  | 22 kA 120/240 V AC 50/60 Hz<br>22 kA 120 V AC 50/60 Hz                                        |
| Wire Size         | AWG 4...300 kcmil copper or aluminium                                                         |
| Tightening Torque | 53.10 lbf.in (6 N.m) 0.01...0.10 in <sup>2</sup> (4...65 mm <sup>2</sup> ) (AWG 12...AWG 2/0) |
| Height            | 5.6 in (142.24 mm)                                                                            |
| Width             | 5.07 in (128.78 mm)                                                                           |
| Depth             | 3.6 in (91.44 mm)                                                                             |
| Load Center Type  | Main breaker                                                                                  |
| Number of Phases  | 1 phase                                                                                       |
| For Use With      | QO load center                                                                                |
