

# Connecting cable

## NEBC-S1G25-K-1.0-N-S1G25

Part number: 8001374

FESTO

## Data sheet

| Feature                                    | Value                                                          |
|--------------------------------------------|----------------------------------------------------------------|
| Type code                                  | NEBC                                                           |
| Electrical connection                      | 25-pin<br>Plug, straight<br>Sub-D/Sub-D                        |
| Cable length                               | 1 m                                                            |
| Cable diameter                             | 7 mm                                                           |
| Cable design                               | Shielded                                                       |
| Degree of protection                       | IP40<br>In mounted state                                       |
| CE marking (see declaration of conformity) | As per EU RoHS directive                                       |
| Note on materials                          | Contains paint-wetting impairment substances<br>RoHS-compliant |
| Corrosion resistance class (CRC)           | 0 - No corrosion stress                                        |
| Color cable sheath                         | Gray                                                           |
| Housing colour                             | Gray                                                           |
