

# Sensor bracket SIEZ-UH

Part number: 538354

FESTO

## Data sheet

| Feature                                    | Value                   |
|--|-------------------------|
| Type code                                  | SIEZ                    |
| Note on materials                          | Free of copper and PTFE |
| Ambient temperature                        | -25 °C ... 80 °C        |
| Type of mounting                           | With through-hole       |
| Product weight                             | 25 g                    |
| Housing material                           | PA-reinforced           |
| Corrosion resistance class (CRC)           | 0 - No corrosion stress |
| Selection of additional sensor information | Mounting attachments    |
