

Sensor bracket SIEZ-B-30

Part number: 538352

FESTO

Data sheet

Feature	Value
Type code	SIEZ
Note on materials	Free of copper and PTFE
Ambient temperature	-25 °C ... 80 °C
Size	M30
Type of mounting	With through-hole
Product weight	36 g
Housing material	PA-reinforced
Corrosion resistance class (CRC)	0 - No corrosion stress
Selection of additional sensor information	Mounting attachments
