

# Mounting kit DARQ-K-F07S17-F03S9

Part number: 553824

FESTO

## Data sheet

| Feature                          | Value                                                          |
|----------------------------------|----------------------------------------------------------------|
| Type code                        | DARQ                                                           |
| Based on norm                    | EN 15081                                                       |
| Corrosion resistance class (CRC) | 1 - Low corrosion stress                                       |
| Product weight                   | 800 g                                                          |
| Note on materials                | Contains paint-wetting impairment substances<br>RoHS-compliant |
| Quick-coupling material          | High-alloy steel                                               |
| Mounting adapter material        | Steel, galvanized                                              |
| Disc material                    | High-alloy stainless steel                                     |
| Material of screws               | Stainless steel                                                |
