

# Clevis foot LNG-32

Part number: 33890

FESTO

## Data sheet

| Feature                          | Value                                                                     |
|----------------------------------|---------------------------------------------------------------------------|
| Size                             | 32                                                                        |
| Type code                        | LNG                                                                       |
| Based on norm                    | ISO 15552 (previously also VDMA 24562, ISO 6431, NF E49 003.1, UNI 10290) |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress                                             |
| Ambient temperature              | -40 °C ... 80 °C                                                          |
| Product weight                   | 133 g                                                                     |
| Note on materials                | Free of copper and PTFE<br>RoHS-compliant                                 |
| Mounting material                | Tempered steel                                                            |
| Material of bearing              | PA                                                                        |
