

# Clamping module EV-63-5

Part number: 184859

FESTO

## Data sheet

| Feature              | Value                                         |
|----------------------|-----------------------------------------------|
| Stroke               | 5 mm                                          |
| Clamping area        | Ø 63                                          |
| Type code            | EV                                            |
| Mounting position    | Any                                           |
| Mode of operation    | Single-acting                                 |
| Symbol               | 00991208                                      |
| Operating pressure   | ≤6 bar                                        |
| Operating medium     | Compressed air as per ISO 8573-1:2010 [7:-:-] |
| Ambient temperature  | -10 °C ... 40 °C                              |
| Product weight       | 100 g                                         |
| Type of mounting     | With through-hole                             |
| Pneumatic connection | M3                                            |
| Note on materials    | Free of copper and PTFE                       |
| Housing material     | Die-cast aluminum                             |
| Diaphragm material   | TPE-U(PU)                                     |
