

**Clevis foot**  
**LBN-50/63**  
Part number: 195862

**FESTO**

**Data sheet**

| Feature                          | Value                                     |
|----------------------------------|-------------------------------------------|
| Size                             | 50/63                                     |
| Type code                        | LBN                                       |
| Mounting position                | Any                                       |
| Corrosion resistance class (CRC) | 1 - Low corrosion stress                  |
| Ambient temperature              | -40 °C ... 150 °C                         |
| Product weight                   | 300 g                                     |
| Note on materials                | Free of copper and PTFE<br>RoHS-compliant |
| Mounting material                | Steel<br>Galvanized                       |
| Bolt material                    | Steel<br>Galvanized                       |
| Fuse material                    | Spring steel, galvanized                  |
