

**Pivot pin**  
**CRZNG-125**  
Part number: 185362

**FESTO**

**Data sheet**

| Feature                          | Value                                     |
|----------------------------------|-------------------------------------------|
| Size                             | 125                                       |
| Type code                        | CRZNG                                     |
| Based on norm                    | ISO 15552                                 |
| Corrosion resistance class (CRC) | 4 - Particularly high corrosion stress    |
| Ambient temperature              | -40 °C ... 150 °C                         |
| Product weight                   | 3484 g                                    |
| Note on materials                | Free of copper and PTFE<br>RoHS-compliant |
| Mounting material                | High-alloy stainless steel                |
| Material of screws               | High-alloy stainless steel                |
