

# Fine filter cartridge MS6-LFM-BI

Part number: 547923

FESTO

## Data sheet

| Feature                          | Value                                     |
|----------------------------------|-------------------------------------------|
| Size                             | 6                                         |
| Type code                        | MS6-LFM                                   |
| Series                           | MS                                        |
| Grade of filtration              | 1 µm                                      |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress             |
| Note on materials                | Free of copper and PTFE<br>RoHS-compliant |
| Compressed air filter material   | Borosilicate fiber                        |
