## Soft start/quick exhaust valve MS9-SV-G-C-V24-S-VS Part number: 570737

**FESTO** 

## **Data sheet**

| Feature                                  | Value  |
|--|--|
| Series                                   | MS   |
| Size                                     | 9  |
| Width dimension                          | 90 mm  |
| Type code                                | MS9-SV   |
| Safety function                          | Exhausting   |
| Performance Level (PL)                   | Exhaust/up to category 1, performance level c  |
| Design                                   | Piston gate valve  |
| Actuation type                           | Electrical   |
| Sealing principle                        | Soft   |
| Exhaust air function                     | Without flow control option  |
| Manual override                          | None   |
| Reset method                             | Mechanical spring  |
| Type of control                          | Pilot-controlled   |
| Symbol                                   | 00995240   |
| Valve function                           | 3/2, closed, monostable<br>Pressure build-up function                                |
| Operating pressure                       | 3.5 bar 16 bar   |
| Standard nominal flow rate               | 8300 l/min 16550 l/min   |
| Standard flow rate exhaust 6-> 0 bar     | 19730 l/min 21720 l/min  |
| Duty cycle                               | 100%   |
| Coil characteristics                     | 24 V DC: 8.4 W   |
| Permissible voltage fluctuations         | +/- 10 %   |
| Operating medium                         | Compressed air as per ISO 8573-1:2010 [7:4:4]  |
| Information on operating and pilot media | Operation with oil lubrication possible (required for further use)                   |
| Corrosion resistance class (CRC)         | 2 - Moderate corrosion stress  |
| Note on materials                        | RoHS-compliant   |
| Noise level                              | 93 dB(A)   |
| Degree of protection                     | IP65   |
| Temperature of medium                    | 0 °C 60 °C   |
| Ambient temperature                      | 0 °C 60 °C   |
| Storage temperature                      | 0 °C 60 °C   |
| Shock resistance                         | Shock test with severity level 1 as per FN 942017-5 and EN 60068-2-27                |
| Vibration resistance                     | Transport application test with severity level 1 as per FN 942017-4 and EN 60068-2-6 |

| Feature                   | Value  |
|---------------------------|--|
| Type of mounting          | Optionally:<br>Line installation<br>With accessories |
| Mounting position         | Any  |
| Product weight            | 3200 g   |
| Pressure gauge connection | G1/4<br>G1/8   |
| Pneumatic connection 3    | G1<br>1 NPT  |
| Electrical connection     | Form A Plug as per EN 175301-803 Rectangular design  |
| Housing material          | Die-cast aluminum                                    |
| Seals material            | NBR  |
| Piston slide material     | Brass  |
| Cover material            | Wrought aluminum alloy                               |
| Lower cover material      | PA   |
