

# Mounting kit DARQ-K-Z-F10S22-F10S22-R13

Part number: 8085025

FESTO

## Data sheet

| Feature                          | Value                                                          |
|----------------------------------|----------------------------------------------------------------|
| Connection 1, function           | Actuator outlet                                                |
| Connection 2, design             | SW22<br>Hole pattern 10                                        |
| Connection 1, design             | SW22<br>Hole pattern 10                                        |
| Connection 2, function           | Reducing outlet                                                |
| Pack size                        | 1                                                              |
| Type code                        | DARQ                                                           |
| Based on norm                    | EN 15081<br>ISO 5211                                           |
| Design                           | Two-flats and external square<br>Mounting kit                  |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress                                  |
| Product weight                   | 1980 g                                                         |
| Note on materials                | Contains paint-wetting impairment substances<br>RoHS-compliant |
| Quick-coupling material          | High-alloy stainless steel                                     |
| Mounting adapter material        | Steel                                                          |
| Disc material                    | High-alloy stainless steel                                     |
| Material of screws               | High-alloy stainless steel                                     |
