

# Quick coupling DARQ-C-S9

Part number: 568674

FESTO

## Data sheet

| Feature                          | Value                     |
|----------------------------------|---------------------------|
| Type code                        | DARQ                      |
| Corrosion resistance class (CRC) | 3 - High corrosion stress |
| Note on materials                | RoHS-compliant            |
