

# Axial kit EAMM-A-D50-80G

Part number: 2733787

FESTO

## Data sheet

| Feature                  | Value                                                          |
|--------------------------|----------------------------------------------------------------|
| Type code                | EAMM-A                                                         |
| Mounting position        | Any                                                            |
| Storage temperature      | -25 °C ... 60 °C                                               |
| Relative air humidity    | 0 - 95 %                                                       |
| Degree of protection     | IP40                                                           |
| Ambient temperature      | -10 °C ... 60 °C                                               |
| Transferable torque      | 17 Nm                                                          |
| Product weight           | 1190 g                                                         |
| Interface code, actuator | D50B                                                           |
| Interface code, motor in | 80G                                                            |
| Note on materials        | Contains paint-wetting impairment substances<br>RoHS-compliant |
