

# Axial kit EAMM-A-D32-40A-S1

Part number: 1322178

FESTO

## Data sheet

| Feature                  | Value                                                          |
|--------------------------|----------------------------------------------------------------|
| Type code                | EAMM-A                                                         |
| Mounting position        | Any                                                            |
| Storage temperature      | -25 °C ... 60 °C                                               |
| Relative air humidity    | 0 - 95 %                                                       |
| Degree of protection     | IP65                                                           |
| Ambient temperature      | -10 °C ... 60 °C                                               |
| Transferable torque      | 1.6 Nm                                                         |
| Product weight           | 130 g                                                          |
| Interface code, actuator | D32A<br>D32B                                                   |
| Interface code, motor in | 40A                                                            |
| Note on materials        | Contains paint-wetting impairment substances<br>RoHS-compliant |
