

Shock absorber retainer DAYP-E21-110

Part number: 8067064

FESTO

Data sheet

Feature	Value
Size	110
Retaining bracket material	Wrought aluminum alloy, anodized
Type code	DAYP
Mounting position	Any
Corrosion resistance class (CRC)	2 - Moderate corrosion stress
Ambient temperature	-10 °C ... 60 °C
Product weight	2323 g
Type of mounting	With through-hole
Note on materials	RoHS-compliant
Stops material	Wrought aluminum alloy, anodized
